WORLD DAY OF PRAYER

The World day of Prayer is an annual International event planned by women of different countries of the world, and delivered by women. In this area we have traditionally held an interdenominational service led by a group of women representing the different churches. This event takes place on the first Friday of March so we are praying together all over the world on the same day. If this event is to happen this year, and in the future, NEW women are needed to form the organising committee (usually only 3 meetings a year). If you are interested in taking part, or finding out more about it, please contact Annette Scholes via bulwellchurchestogether@gmail.com or your churches together representative. The few remaining members of the pre pandemic committee are willing to advise this year but it needs NEW members to happen at all, as they are no longer able to lead it.
